SUPERIOR CONSTRUCTION FOR DURABILITY

When you choose our Spectrum 360 Series, you get quality construction and great features! With all-wood dovetail drawers and optional plywood end panels, six-way, fully-adjustable concealed hinges and wipe-clean interiors, no wonder Cardell is so popular!

IT'S COMPLETELY CUSTOMIZABLE

This popular all-plywood construction provides the ultimate in customizing your cabinetry. With features like dovetail drawers, all plywood construction and the ability to add decorative moldings and glazes, there's just no limit to what you can design!

Advantage Series (not shown)

- 1/2" Substrate sides w/matching photo-laminate finish
- 1/2" Furniture Board drawer box with vinyl edge banding
- 3/4" Extension nylon wheel, epoxy glide system
- 3/4" Full-Depth, Adjustable Shelves (available)
- Bi-parting Doors (available)
- 6-way adjustable hinges
